

7. For disabled people (障害のある人に)

【Disability welfare service】 (障害福祉サービスの利用)

People with a physical or intellectual disability can use the services. Please seek advice from the Regional Welfare Division. For someone with a mental disability, please seek advice from public health centers.

- Issue of certificates
- Payment of benefit
- Application of disability welfare service
- Consultation/Submission of other welfare programs

Inquiry Regional Welfare Division in the ward office or public health centers (pp.16–17)

【Disability Counseling and Support Center】 (障害者基幹相談支援センター)

People with a disability or their families can seek advice. In order for those people to be able to live with peace of mind in the area, the center will provide support in cooperation with other specialized organizations. The location of local consultation desk where you can seek advice depends on the ward where you live. Please contact the Disability Counseling and Support Center in your ward office for details.
