## Notice of School Expense Subsidy System for FY 2025

### To Parents and Guardians

### Sakai City Board of Education

Sakai City has a system for providing financial assistance to partially cover school supply expenses, etc. to households which, for financial reasons, have difficulty in sending their children to public elementary and junior high schools (not including national elementary and junior high schools and special needs schools).

If you wish to receive subsidies through this system, please carefully read through the explanations in the following sections 1 to 5 and submit your application.

Scan this QR code for details of the School Expense Subsidy System.

◎ You must submit a new application for School Expense Subsidy every year. Even if you received "School Entrance Preparation Money" for new first grade students in March, you must submit an application during the application period indicated below to receive assistance such as school supply expenses.

## 1 Application method

### ◆ Application Period April 15, 2025 (Tuesday) to April 30, 2025 (Wednesday)

\* Applications will be accepted until February in the following year. Please note that if you are approved, the subsidy from the month in which you applied will be paid.

#### Precautions

- Applications will be accepted at schools and ward offices except on Saturdays, Sundays, and holidays.
- The application form can be downloaded and distributed (at schools and ward offices) from April 15.
- Please note that the application period will not change even if online application is temporarily suspended due to system maintenance work.

### 4 Precautions upon application

- ◎ If your educational assistance under the Public Assistance system has been suspended or discontinued, you **will not be able to receive assistance unless you apply for School Expense Subsidy.** If you would like assistance, please apply for School Expense Subsidy.
- ◎ **If you are receiving educational assistance under the Public Assistance system, only school trip expenses and medical expenses are covered.** Households with children in the year for which school trips are to be held are **unable to receive assistance for school trip expenses without applying for School Expense Subsidy. Please be sure to apply for School Expense Subsidy.**

**During the screening of your application, the income amount and financial dependency status of all household members will be examined. Please note the following points.**

<b>Your address as of January 1, 2025</b>		<b>* Please be sure to complete your income declaration.</b>
Sakai City	—————	<b>If you and your household members have not yet declared your income, please complete and file your 2024 income declaration immediately.</b> (If you have already declared your income, you do not need to do anything further.)
Other municipalities	—————	<b>From the beginning of June, you and your household members are required to submit your taxation certificate for FY 2025 (Kazeishomeisho), which will be issued later (around June) by your previous municipality of residence.</b> (Certificate of income and withholding tax. (Gensenchoshuhyo) are not accepted.) • Please file your income declaration with your previous municipality of residence. • The "taxation certificate" obtained before May may be the one for FY 2024. Confirm that this is the case. Please confirm the details with your previous municipality of residence.)
* If your employer already files your tax return, you do not need to declare your income, although an income declaration does have to be made for any household member who is not a dependent (i.e., your spouse who shares the same livelihood or dependent household members who qualify for a tax exemption).		
* <b>Please be sure to complete income declaration of all household members even if they have no earnings</b> (However, dependents do not need to declare their income.).

- Information necessary to determine the amount of subsidy, such as students' participation in or absence from school trips, will be confirmed with schools.
- The payment could be delayed if the screening takes longer than planned.

## System of Medical Expense Assistance (Medical service tickets under the School Health and Safety Act)

When the persons eligible described below have received treatment for a specified medical condition, Sakai City will support the copayment for healthcare services provided under health insurance.

### 1. Persons eligible for this assistance

- (1) Students in households receiving public assistance
- (2) Students in households which have been approved to receive School Expense Subsidy

### 2. Medical conditions to be covered

Only the following medical conditions are covered in accordance with the School Health and Safety Act.

Medical service tickets cannot be used to treat medical conditions other than the following:

1. Trachoma
2. Conjunctivitis
3. Otitis media
4. Chronic sinusitis
5. Adenoids
6. Tinea (ringworm)
7. Scabies
8. Impetigo (impetigo contagiosa)
9. Parasitic diseases (including those with worm eggs)
10. Tooth decay (cavities)

### \* Medical service tickets can be issued in the following cases:

- Any of the medical conditions listed above have been detected by a school medical checkup.
- The school has directed that treatment be given for the listed medical condition based on a students' report and health counseling.

### ◎ Precautions

- Please be sure to make a request to the school and receive the medical service tickets before receiving treatment each month.
- Please note that, in principle, treatments received without medical service tickets are not covered by Medical Expense Assistance.

### ◆◆◆ Applicants who have filed an application for School Expense Subsidy (and are awaiting the results of the screening) ◆◆◆

- ① Students who are in households which received School Expense Subsidy in the previous fiscal year, submitted an application for School Expense Subsidy in April or May this fiscal year, and need to receive treatment for any of the listed medical conditions by the middle of July when they will be notified of the results of the screening are required to request their schools to issue medical service tickets before receiving treatment.
