Important Notice Regarding School Lunch

1 School lunch

- In accordance with national implementation standards, a complete school lunch, consisting of a staple food, side dish, and milk, is provided for nine years, from the first grade of elementary school through the third grade of junior high school (including the elementary and lower secondary divisions of special needs education schools).

2 School lunch application form

- To receive school lunch, you must submit a school lunch application form. Please note that one form is required for each child.
- Once you have submitted the form, you will not need to submit it again, even if your child moves on to or transfers to another municipal school in Sakai City (elementary, junior high, or special needs education school).
- Referring to the sample on the back, please complete the required fields, then detach the third sheet (white), place the first sheet (yellow) and the second sheet (pink) in the brown envelope, and mail it. Postage is not required.
*Please keep the third sheet (white) for your records at home.

3 Discontinuing all or part of the school lunch due to food allergies or other reasons

- If you wish to discontinue all or part of the school lunch for your child due to a food allergy or another reason, you must submit both a "School Life Management Guidance Form" (*Gakkoseikatsu Kanri Shidohyo*) and a "Food Allergy Accommodation Form" (*Tabemono Arerugi Taiou Iraisho*). For details, please consult your school.
- If you wish to discontinue milk, bread, or rice, please submit a School Lunch Change, Suspension, or Resumption Notification (*Gakkou Kyusyoku Henko/Teishi/Saikai Todoke*) to your school.
