

How to post photos with #hellosakai

How to post

1. An Instagram account is necessary to post.
2. Post photos taken in Sakai and use the hashtag #hellosakai
3. You can post either in Japanese or English

Posting rules

1. Photos must be taken in Sakai City and by the poster. (non-residents of Sakai can also post.)
2. Photos posted with #hellosakai will be assumed to be permitted for sharing on the Sakai City CIR Official Instagram accounts (both English and/or Chinese).
3. There will be no payment of money for sharing the photos.
4. When sharing the photos, the poster (username), photographed place and location information (if any) will also be introduced. In principle, Sakai City CIR will write the caption for the photos, however, the poster's texts may be quoted.
5. When posting photos of people, please get approval from the photographed people. Sakai City will not bear any responsibility for troubles regarding portrait rights.
6. Please observe Instagram's user policy and refrain from posting if the following conditions are applicable. Sakai City will not bear any responsibility for damages caused by such posts.
 - Contents against public order and morality
 - Contents presenting or advertising prostitution and other equivalent acts, or specific websites or addresses
 - Contents that damages the integrity of Sakai City
 - Contents that may infringe the rights of specific mascot characters or celebrities
 - Contents slandering individuals, companies and organizations or violating their privacy rights
 - Contents against copyrights and portrait rights of other people
7. Sakai City will not bear any responsibility for the contents of the poster's Instagram and other SNS and troubles regarding them.
