

# SDGs fest.×MIRAI SAKAI EXPO

3/31(Sun) 11:00-15:00 Daisen Park  
(Free Admission)

## Hey! What are SDGs ?

SDGs stands for "Sustainable Development Goals," which aim to solve global issues so that everyone can lead a happy life. There are 17 goals, including helping the poor, improving the Earth's environment, and other sustainable targets.

## What is this event about ?

Sakai City actively engages in SDGs and this event is designed for everyone to learn about, enjoy and practice SDGs.

## Event Introduction

### Zero Carbon Rock Festival

High school students will perform using eco-friendly electricity.🎵

### Workshop

Make a keychain using scrap materials !

40 booths featuring various SDGs-related activities!

There are 9 animals hidden around this poster. Can you find them?

「大阪・関西万博 勝手に応援し大使」  
ハニワ部長

Daisen Park is beautiful with the cherry blossoms in bloom. You can also enjoy a picnic!

主催

Poster Design and translations by students from the Department of Global Studies at Kyoto University of Foreign Studies and the Sakai Philippine Exchange Association
